

THE OLD KENNELS

THE OLD KENNELS, STENTWOOD, DUNKESWELL, DEVON, EX14 4RW

Wednesday 13th March 2024
Lampwork Glass Bead Making

Tutor: Tracey Bell

If you're mesmerised by the beauty of glass beads and have a fascination with molten glass, you will adore this introductory class! You will make your own lampwork glass beads using a bench mounted oxygen/propane torch; learning the basic principles of working safely and understanding your equipment and materials. There will be ample opportunity to try several shapes of bead and work in your choice of colours, as well as some basic surface decoration.

*£110 including materials – gas and glass etc
as well as postage of beads when cooled to your home address after the course*

REQUIREMENTS LIST

Wear old clothes (natural fibres, not synthetic) with a high tight neckline and tight cuffs (eg a long sleeved cotton tee-shirt and denim jeans, plus layers over to keep warm) if you have long hair please wear it up or tied back. No open toe shoes please as you are working with hot glass that may drop or shards may fall; your feet often get cold sat at the torch so a thick pair of woolly socks is a good plan. No gas lighters are allowed in the workshop (you may leave these in the house).

Courses run 10am - 4pm, we will be glad to welcome you from 9.45am.

A boxed lunch may be ordered in advance (see website for details) or you are welcome to bring a packed lunch. Hot and cold drinks will be served throughout the day.

We also offer 4 B&B accommodation please enquire or see the website for full details*

Directions to The Old Kennels can be found on our website (sat nav will not bring you to the door!)
