LINO REPEAT PATTERN PRINT MAKING – Lino Cuts

With Gemma Trickey

A two-day introduction to relief printing repeat patterns, in which you will learn how to use the tools and techniques needed to design, carve and print your own designs. You will be taught the basics of repeat pattern design using geometric and botanical motifs and go on to design a pattern yourself. You will then be taught how to transfer your images to a block and use carving tools to make your designs into a relief block, which we will print using ink and rollers onto paper.

Please feel free to come with an image you'd like to use that can be copied onto the lino or just an idea of what you might like to freehand draw before carving. Reference books will also be available to look at. No previous experience is necessary but improvers are also welcome.

*£195 (plus materials approximately £15 or
£20 including a brand new set of five lino tools to take away with you)*
