SHAKER BOXES

with Andrew Spilsbury

Hand craft one, two or even three beautiful shaker boxes in Cherry and Maple using Shaker materials and methods. A relaxed and gentle process using veneers, the copper tacks that hold the bands and the wooden pegs that pin the bands to the lids and bases are imported from America. Each stage and process closely follows the traditions. The Shaker lifestyle required a practical flexible storage system for household and workshop use. They adapted an English design of box which was almost round, and changed the proportions to the now classic oval design. The distinctive swallow tails of the joint were designed for practical purposes and with the bevelled detail give a stylish hallmark to the finished box.

£195 (plus materials approximately £10 - £40 per box dependant on size)
