PURE NATURAL LIQUID SOAP

with Ishbel Ramsay of Puro Soaps

Learn to make natural liquid soap free of toxins, using only plant based oils.

You will make a litre of beautiful, natural Castile soap in a concentrated form. As well as learning about some of the many ways to incorporate it into useful home and body products, everyone will leave with a clutch of finished products to your own specification, and a full set of recipes to make more at home.

This effective, bubbly, cruelty-free soap is suitable for vegans and can be used safely in all bio sewage systems as it is fully biodegradable. You will have the choice of adding essential oils or leaving it unscented. You will be amazed at what great value this clean, natural soap is and just how versatile.
