TRADITIONAL COLD PROCESS
SOAP MAKING

*With **Ishbel Ramsay** of Puro Soaps*

An introduction to traditional cold process soap making. You will take home a kilo of pure natural plant based soap (approximately 12 large or 20 small bars) with no animal ingredients, scented with your choice of essential oils. A relaxing day producing wonderful gifts, or a bespoke soap to enjoy yourself, but with plenty of information to help you continue your soap journey whether it be to sell or just enjoy at home. You will receive full written instructions so you can make more at home as well as simple ideas for wrapping and presentation.

£95 (plus materials approximately £50)

Requirements List

*Largest size of saucepan (if you think of a usual kitchen set), this **MUST** be stainless steel not non stick or aluminium. This should be a pan you keep for soap making and not use for food in future as the scent of essential oils is incredibly hard to remove (and they aren't all edible!) Beware - a dishwasher will not remove essential oils, you will simple end up coating all your plates in the next wash!*

WE DO HAVE SPARE SAUCEPANS IF YOU DO NOT HAVE ONE

Students are also recommended to wear clothing that is not 'best', closed toed shoes and long sleeves, as you will be handling hot oil based substances and caustic - bring a pinny.

Courses run 10am - 4pm, we will be glad to welcome you from 9.45am.

A boxed lunch may be ordered in advance (see website for details) or you are welcome to bring a packed lunch. Hot and cold drinks will be served throughout the day.

We also offer 4 B&B accommodation please enquire or see the website for full details*

Directions to The Old Kennels can be found on our website (sat nav will not bring you to the door!)
