

Plant list The Old Kennels, Stentwood – Bob Hodgson 2015

Acer campestre	Field maple	planted but seeding
Acer pseudoplatanus	Sycamore	O
Adoxa moschatellina	Moschatel	WW O
Ajuga reptans	Bugle	WW O
Alliaria petiolata	Garlic mustard	O
Alnus glutinosa	Alder	WW by stream
Alopecurus pratensis	Meadow foxtail	G O
Anemone nemorosa	Wood anemone	W O
Angelica sylvestris	Angelica	WW G O
Anthoanthum odoratum	Sweet vernal grass	G O
Arctium minus	Lesser Burdock	G O
Arum maculatum	Lords-and-ladies	W O
Asplenium scolopendrium	Hartstongue fern	W R
Athyrium filis-femina	Lady fern	WW F
Betula pendula	Silver birch	W R
Betula pubescens	Downy birch	W C
Blechnum spicant	Hard fern	W C
Brachypodium sylvaticum	False brome	W C
Cardamine flexuosa	Wavy bittercress	WW C
Cardamine pratensis	Cuckooflower	WW G O
Carex laevigata	Smooth-stalked sedge	WW F
Carex paniculata	Greater tussock sedge	WW by stream
Carex remota	Remote sedge	WW A
Cerastium glomeratum	Sticky mouse-ear	G O
Chrysosplenium oppositifolium	Opposite-leaved golden saxifrage	WW C
Circaea lutetiana	Enchanter's nightshade	W C
Cirsium arvense	Creeping thistle	G O
Cirsium palustre	Marsh thistle	WW G F
Conopodium majus	Pignut	W F
Corylus avellana	Hazel	W A
Dactylis glomerata	Cocksfoot	O
Deschampsia cespitosa	Tufted hair-grass	WW F
Digitalis purpurea	Foxglove	W F
Dryopteris affinis	Scaly male-fern	W F
Dryopteris dilatata	Broad-buckler fern	W F
Euphorbia peplis	Petty spurge	nr house O
Fagus sylvatica	Beech	W planted
Ficaria verna	Celandine	F
Filipendula ulmaria	Meadowsweet	WW F
Fraxinus excelsior	Ash	W F
Galium aparine	Cleavers	F
Galium palustre	Marsh bedstraw	WW O
Geranium lucidum	Shining cranesbill	on top path
Geranium robertianum	Herb Robert	F
Geum urbanum	Wood avens	W F
Glechoma hederacea	Ground ivy	W F
Glyceria fluitans	Floating sweet-grass	WW O
Hedera hibernica	Atlantic ivy	W A
Holcus lanatus	Yorkshire fog	W A
Holcus mollis	Creeping soft-grass	W A
Hyacinthoides non-scripta	Bluebell	W A
Ilex aquifolium	Holly	W F
Iris pseudacorus	Flag iris	Wet grassland
Juncus acutiflorus	Sharp-flowered rush	Wet grassland
Juncus effusus	Soft rush	Wet grassland
Lamium galeobdolon	Yellow archangel	W O
Lolium perenne	Rye grass	G
Lonicera periclymenum	Honeysuckle	W F

Luzula campestris	Field woodrush	G R
Luzula pilosa	Hairy woodrush	W F
Lysimachia nemorum	Yellow pimpernel	WW O
Mentha aquatica	Water mint	WW F
Mercurialis perennis	Dog's mercury	W F
Molinia caerulea	Purple moor-grass	Wet grassland, WW O
Oenanthe crocata	Hemlock water-dropwort	WW Wet grassland F
Orchis mascula	Early purple orchid	W R
Oxalis acetosella	Wood sorrel	W F
Phalaris arundinacea	Reed canary-grass	WW, Wet grassland O
Polypodium vulgare	Polypody fern	W O
Polystichum setiferum	Soft shield-fern	W F
Potentilla sterilis	Barren strawberry	W F
Primula vulgaris	Primrose	W F
Prunus avium	Cherry	W O
Pseudotsuga menziesii	Douglas fir	planted
Pteridium aquilinum	Bracken	F
Quercus robur	English oak	W F
Ranunculus acris	Meadow buttercup	G O
Ranunculus bulbosus	Bulbous buttercup	G O
Ranunculus flammula	Lesser spearwort	WW O
Ranunculus repens	Creeping buttercup	WW, G A
Rosa arvensis	Field rose	W R
Rubus fruticosus agg	Bramble	F
Rubus idaeus	Raspberry	W R
Rumex acetosa	Sorrel	G O
Rumex obtusifolius	Broad-leaved dock	O
Rumex sanguineus	Wood dock	W F
Sambucus nigra	Elder	W O
Salix cinerea ssp oleifolia	Rusty willow	WW A
Sanicula europaea	Sanicle	W O
Scirpus sylvaticus	Wood clubrush	large patch in WW
Scrophularia nodosa	Common figwort	W O
Silene dioica	Red campion	O
Silene flos-cuculi	Ragged robin	WW, Wet grassland O
Sorbus aucuparia	Rowan	W planted
Stachys sylvatica	Hedge woundwort	W F
Stellaria holostea	Greater stitchwort	W F
Stellaria alsine	Bog stitchwort	WW F
Ulex europaeus	Gorse	O
Urtica dioica	Nettle	F
Vaccinium myrtillus	Bilberry	W O
Valeriana officinalis	Common valerian	WW O
Veronica chamaedrys	Germander speedwell	W F
Veronica montana	Wood speedwell	W A
Veronica serpyllifolia	Thyme-leaved speedwell	top path
Viola palustris	Marsh violet	WW F
Viola riviniana	Dog violet	W F

Key WW wet woodland, W woodland G grassland DAFOR scale of abundance Dominant, abundant, frequent, occasional, rare. The abundance refers to this site only. Latin names Stace flora 3rd edition.

Names in bold are ancient woodland indicators in Devon. These are 29 for this site and anything over 10 is significant so this is a good total
