## *TRADITIONAL COLD PROCESS SOAP MAKING*

*With Ishbel Ramsay of Puro Soaps*

*An introduction to traditional cold process soap making. You will take home a kilo of pure natural plant based soap (approximately 12 large or 20 small bars) with no animal ingredients, scented with your choice of essential oils. A relaxing day producing wonderful gifts, or a bespoke soap to enjoy yourself. You will receive full written instructions so you can make more at home as well as simple ideas for wrapping and presentation.*

*£75 (plus materials approximately £35)*

### *Requirements List*

*Largest size of saucepan (if you think of a usual kitchen set), this MUST be stainless steel not non stick or aluminium. This should be a pan you keep for soap making and not use for food in future as the scent of essential oils is incredibly hard to remove (and they aren't all edible!) Beware - a dishwasher will not remove essential oils, you will simply end up coating all your plates in the next wash!*

*Courses run 10am - 4pm, we will be glad to welcome you for coffee from 9.45am.  
A selection of teas, coffee and soft drinks are inclusive and served throughout the day.*
